PBHS PRP “LIVING SKILLS PROGRAM”

Provides mental health outpatient services for adults with serious mental illness, emotional & behavioral disorders who meet medical necessity criteria for services. These services are medically necessary to reduce the disability resulting from mental illness and assist in the recovery and resiliency of the recipient. Services are home and community-based and are provided on an as needed basis to assist recipients in coping with the symptoms of their illness. The purpose of **PBHS** services is to minimize the disabling effects on an individual’s capacity for independent living and to prevent or limit the periods of in-patient treatment via;

Assisting consumers in the stabilization of acute symptoms of mental illness.

Assisting consumers in coping with the chronic symptoms of their mental illness.

Minimize the aspects of mental illness that make it difficult for a consumer to live independently.

Medication monitoring and knowledge review.

Reduce or prevent psychiatric hospitalizations.
